Additional Notes:

- A Minor outside of Theatre Art is required for the major.
- Foreign Language requirements:
 - Students are required to demonstrate intermediate-level proficiency in a language other than English. Intermediate-level proficiency is demonstrated by successful completion of a 4th semester language course (FL 1050 or 1060). A higher level language course that requires one of these courses as a prerequisite may also be used to fulfill the requirement.
 - Placement exams are required for several languages. Should a student place higher than the beginning level, any lower level requirement listed on the four year guide will need to be replaced with a free elective if needed for total hours for the degree.
 Please consult with your advisor for more information.
