**Additional Notes:**

- **A Teacher Education Minor is required – 18 credit hours.**
- **Admission to Teacher Education Required to take SPE 3300 and CI 3400 in the minor.**
- **Foreign Language requirements:**
  - Students are required to demonstrate intermediate-level proficiency in a language other than English. Intermediate-level proficiency is demonstrated by successful completion of a 4<sup>th</sup> semester language course (FL 1050 or 1060). A higher level language course that requires one of these courses as a prerequisite may also be used to fulfill the requirement.
  - Placement exams are required for several languages. Should a student place higher than the beginning level, any lower level requirement listed on the four year guide will need to be replaced with a free elective if needed for total hours for the degree. Please consult with your advisor for more information.
  - **NOTE: Appalachian’s language placement test is designed for placement purposes only, and a score on this test alone is not sufficient to demonstrate intermediate-level proficiency.**
- **Residency Requirements:**
  - 30 hours must be from ASU (25% of the credit hours required for the degree).
  - 18 hours in the major must be from ASU.
  - 9 hours in the minor must be from ASU. (See the relevant department for the total number of hours required for the minor).
