Additional Notes:

- Minor outside of ARH required for the major.
- Students are encouraged to take the introductory courses as well as the two art history surveys early in their program.
- A maximum of 9 S.H. may double count between Gen Ed and the major
- Foreign Language requirements:
 - Students are required to demonstrate intermediate-level proficiency in a language other than English. Intermediate-level proficiency is demonstrated by successful completion of a 4th semester language course (FL 1050 or 1060). A higher level language course that requires one of these courses as a prerequisite may also be used to fulfill the requirement.
 - Placement exams are required for several languages. Should a student place higher than the beginning level, any lower level requirement listed on the four year guide will need to be replaced with a free elective if needed for total hours for the degree. Please consult with your advisor for more information.
 - **NOTE: Appalachian’s language placement test is designed for placement purposes only, and a score on this test alone is not sufficient to demonstrate intermediate-level proficiency.**
