

This four year guide is a recommended semester-by semester plan of study for this major. All four year guides are meant as examples of how a degree can be completed in four years. Individual plans will be developed for each student in consultation with the academic advisor. Prior credit, course availability, and student needs must be considered in developing the individual plan.

This four year guide is a recommended semester-by semester plan of study for this major. All four year guides are meant as examples of how a degree can be completed in four years. Individual plans will be developed for each student in consultation with the academic advisor. Prior credit, course availability, and student needs must be considered in developing the individual plan. Shaded areas of plan require special attention. Min. Included Credit Important Notes **Course Subject and Title** Grade in Major POS = Program of Hours Required GPA Study

| General Requirements Summary | | | | | |
|--------------------------------------|---------|---------------------|-------------|-----|--|
| Minimum Gen Ed. Total Hours Hours | | Minimum | | | |
| | Writing | Major GPA | Overall GPA | | |
| 120 | 44 | RC 1000 and RC 2001 | 2.0 | 2.0 | |

All GES courses and all courses in Major Requirements area on Program of Study count in the major GPA

*Some minors require a 2.0 GPA. See Programs of Study for information.

| Program Categories | Hours | Important Notes – Be sure to check for Gen Ed courses required in your major |
|---------------------------------|-------|--|
| First Year Seminar | 3 | Can be taken first or second semester of freshman year |
| Wellness Literacy | 2 | |
| Quantitative Literacy | 4 | |
| First Year Writing | 3 | Can be taken first or second semester of freshman year |
| Sophomore Writing | 3 | Can be taken first or second semester of second year |
| Integrative Learning Experience | 9 | Must choose a minimum of two disciplines |
| Liberal Studies Experience | 12 | Must choose a minimum of three disciplines |
| Science Inquiry | 8 | |

You must also meet the Fine Arts, Literary Studies, Historical Studies, and the Social Science Designations. Those may be met within the Integrative Learning Experience and the Liberal Studies Experience.

Additional Notes:

- Minor outside Geology required for this degree.
- Foreign language requirement:
 - Student must take the Foreign Language Placement Test to determine starting course for the foreign language sequence.
 - If Foreign Language 1010 & 1020 taken for prerequisite purposes, they will count in place of 6 hours of Free Electives (3 hours per course).
 - FL 1030 may substitute for FL 1010 & 1020 for some languages; FL 1060 may substitute for FL 1040 & 1050 for some languages.
 - Foreign language classes can be taken in summer semesters.
- Students are required to demonstrate intermediate-level proficiency in a language other than English. Intermediate-

BA, Geology BA_119A College of Arts & Sciences Department of Geological & Environmental Sciences 2023-2024

level proficiency is demonstrated by successful completion of a 4th-semester language course (FL 1050 or 1060 or CSD 3374). A higher- level language course that requires one of these courses as a prerequisite may also be used to fulfill the requirement.

- Placement exams are required for several languages. Should a student place higher than the beginning level, any lower level requirements listed on the four year guide will need to be replaced with a free elective if needed for total hours for the degree. Please consult with your advisor for more information.
- Note: Appalachian's language placement test is designed for placement purposes only, and a score on this test alone is not sufficient to demonstrate intermediate-level proficiency.
- <u>Residency Requirements</u>:
 - o 30 hours overall must be from ASU
 - \circ $\hfill 18$ hours in the major must be from ASU
 - \circ $\,$ 9 hours in the minor must be from ASU $\,$
